

Seaside Nolli Plan
The Seaside Institute
& Dhiru Thadani
Seaside Florida

Part of the drafting team
-Lindsey Shotwell

Project Coordination
-Dhiru Thadani

While I am not able to
reproduce the Nolli Plan
here, this image is a version
adapted for a guide map for
visitors to Seaside.

I was part of a large team
that was responsible for
documenting, collecting
information about
buildings & public spaces
and drafting the final Nolli
plan.

This selected elevation was
a hand drafted drawing that
I produced from original
drawings of Ruskin Street
Pavilion & measurements
taken on site.
